INTRODUCTION

One Moorgate Place is a Grade II listed building which opened in 1893. We have a range of diverse spaces that can accommodate intimate celebrations and large conferences alike. Opulent rooms such as the Main Reception Room and Members' Room remain true to the building's historical and cultural heritage, while the Great Hall and our range of contemporary and modern rooms are perfect for conferences and business meetings.

Just a five minute walk from Liverpool Street, Moorgate or Bank underground stations, and only eight miles from London City Airport, One Moorgate Place is nestled in the heart of the City and perfectly situated for all occasions.
