Green & Fortune are a B Corp company

Our catering partner Green & Fortune has recently become a B-Corp accredited business. By obtaining this stamp it shows that Green & Fortune are joining a global movement of companies who are using business as a force for good. They have always put sustainability at the forefront of our events menus, as seen in our food for thought and chef's choice menus. Additionally, they are an accredited London Living Wage employer, lead many charitable events to raise much-needed funds and take part in community initiatives. Alongside this, they are careful to partner with local, sustainably minded suppliers wherever possible and all their beef and lamb on the menu is from their own farm in Northumberland. To become a B-Corp listed business, the Green & Fortune business has been thoroughly evaluated; to show they meet the highest standards of social and environmental performance, transparency and accountability.

To order catering, please email:

LMDocklands@greenandfortune.co.uk

Our rates include staffing however for smaller events with lower numbers that just require refreshments, or smaller events taking place at the weekends and on bank holidays, a staffing charge may apply.

Additional staff are charged at £24 per hour (minimum 4-hour shift) + VAT. Staff timings quoted will always include 1 hour for set up and 1 hour for pack down at the end of your meeting

Standard catering equipment is included, but excluding poseur tables which we can provide for an additional cost, as well as any specialist equipment such as standalone bars, outdoor furniture and high chairs and stools.

Below is a list of some of our valued partners:

LONDON SMOKE AND CURE, a small Streatham based company smoking and curing meat and fish from sustainable sources. They use renewable electricity, reduced packaging, and comprehensive waste management systems, as well as delivering all of their orders by e-cargo bikes

ALLAN READER, a London based family run dairy who work closely with farmers

PAUL RHODES BAKERY, a Greenwich based, leading independent bakery producing hand-crafted bread

OLD SPIKE COFFEE, founded in Southwark, 65% of their profits directly fund their social and environmental goals which include tackling homelessness

CELTIC FISH & GAME, a family run business based in St. Ives supplying the finest and freshest sustainable fish and game

HOPE & GLORY, British tea company who are fairtrade certified and use only 100% organic ingredients

VALIMEX, Fruit and vegetables sourced from UK and international growers, fully aligned with sustainable farming practices. They plant nitrogen enriching plants to stop unnecessary fertilisers being used

Wherever possible we use quality and independently sourced British suppliers to ensure the best possible ingredients. We produce as much as possible in-house, for example our team of chefs includes an on-site baker to help us create the sweet treats on the menus and ensures we can offer a product that is of the highest standard.

Sustainability is high on our agenda and we reduce food miles as much as we can. You'll see a number of chef's choice or chef's suggested selections throughout the menus, these offer great value for you and allow us to embrace seasonality and reduce food waste.

Corneyside Farm, Northumberland

Our menus are special as they use beef and lamb from Corneyside Farm, in Northumberland. Using meat from our own farm allows us complete visibility of the farm to fork process. The beef and lamb are also hung on-site in our own hanging room before being prepared by our in-house butcher.

V - vegetarian, GF - gluten free, VE - vegan, O - organic (wines only)
