GIN

Our handcrafted London Dry Gin takes you on a sensory journey through an eclectic blend of botanicals, inspired by the beautiful and unique characteristics of our hotels, each as distinctly individual as our guests. Crafted in a converted 17th Century Barn and sympathetic to the original craftsmanship of the building, the place has retained all of the cathedral-like timber architecture of the original barn. The surrounding abundantly generous countryside inspires and provides every day with many botanicals “Made of England.”

RUM

Rum is a distilled alcoholic beverage made from sugarcane by-products such as molasses or directly from sugarcane juice, by a process of fermentation and distillation. The distillate, a clear liquid, is then often aged in oak barrels. Mount Gay Distillery has deeds dating back to 1703, making it the oldest existing brand of rum in the world.

THE MACALLAN

The Macallan is a single malt scotch whisky based in Speyside. Founded in 1824 it has established itself as an incomparable symbol of creativity and craftsmanship. With an unrivalled commitment to the mastery of wood and spirit, the distinct flavour profile of rich dried fruits, vanilla and wood spice is reassuringly familiar in every glass of The Macallan.

To create Double Cask, the Macallan Team bring new oak from America across thousands of miles to Spain, where casks are crafted and sherry seasoned before travelling to the distillery on Speyside to mature. These whiskies are then harmoniously united with those aged in the very best European sherry-seasoned oak casks.
