BOILER SHOP

2025

THE VENUE

This is Boiler Shop:
an event space like no other.

Once the crucible of the Industrial Revolution, where George and Robert Stephenson developed and built Locomotion No.1, now a much-loved venue in the heart of Newcastle.

The historic nature and unconventional surroundings of Boiler Shop have captivated some of Britain's most iconic brands: the BBC, ITV, Aston Martin, Barker & Stonehouse, Greggs, Red Bull, NHS, Parkdean Resorts, and Newcastle United Football Club have all chosen us to deliver an eclectic mix of sports and music shows, parties, gala dinners, conferences and meetings.

Our dedicated team understands that every event is unique and collaborates closely with clients to tailor the space for both intimate gatherings and grand occasions.

Boiler Shop can be anything you want it to be.
The limit is your imagination.
