LONDON

THANK YOU FOR YOUR INTEREST IN BOOKING AN EVENT AT THE ROYAL INSTITUTION

Welcome to a Grade I listed building in the heart of Mayfair with a range of different spaces, fine dining prepared freshly and in-house AV services.

Our eight distinct venue spaces differ in style, however, all of which are flexible in terms of event style and lay out. Whether you are looking for an auditorium for 400 or a library flooded with natural light for 90 delegates, the Ri has a range of possibilities.

Our aim is to make every event an enjoyable experience from start to finish.

On behalf of everyone, we look forward to welcoming you to the Royal Institution and delivering the perfect event.

We have partnered with Olio and Too Good To Go to help reduce food wastage.

We only source British meat and poultry, and when possible, from regenerative farms.

All our bacon is British-reared and dry-cured to preserve it and reduce wastage.

All Searcys signature dishes use British fruit and vegetables in season.

We only use green and amber-rated fish from the MSC Good Fish Guide.

Our prawns are sustainably farmed.

We use British-milled flour and wild-grown wheat from regenerative farms and ancient British grains in our recipes.

All fresh eggs used in our kitchens are British free-range and RSPCA-certified.

Our plant-based dishes are featured top of the menus in all our venues. They make 25% of all menus.

We champion seasonal British produce, from rhubarb to strawberries and heritage tomatoes, with hero ingredients traced to an individual farm.

We champion cooking chocolate from the Islands Chocolate farm in St. Vincent and the Grenadines.

We only use British-harvested rapeseed oil for its low carbon footprint.

We've launched a carbon footprint calculator trial to help us reduce the impact of our menus.

Wherever possible we use porcelain crockery, glassware and metal cutlery.

We do everything to minimise food waste, from menu and portion design to food waste separation.

We partner with food waste apps Too Good To Go, Olio and City Harvest.

We work with the best English Sparkling Wine producers, and have created our own label with a vineyard in Guildford.

We use Harrogate bottled water. Naturally sourced, it has the lowest food miles in the UK and is B-Corp accredited.

Camden Town and Toast (brewed with surplus wheat) supply our house beers.

Our coffee comes from an organic cooperative in Peru and family-run single estates in Guatemala and Colombia.

All our teas are responsibly sourced and Fairtrade, with most also being carbon-neutral.

We have an apprenticeship programme for our people and offer over 40 development programmes for our colleagues.

We celebrate our people's contributions and loyalty with our Long Service awards and annual people awards.

We have been awarded the Disability Confident Employer certificate, which helps ensure all employees can fulfil their potential.

Our charities Hotel School and Beyond Food, help those at risk of unemployment and homelessness gain jobs in hospitality.

Tour de Searcys
In summer 2023, our annual charity cycle ride took us to Epernay, the home of Champagne and raised £22k for our partner charities.

LOCAL BRITISH PARTNERS

Our commitment to sustainability is ingrained in everything we do. Ensuring that our suppliers share our values of ethical sourcing, traceability, and environmental responsibility is paramount to us.

We take pride in curating a network of exceptional partners who uphold these standards. By prioritising local and seasonal produce for all Searcys events, we not only support our communities but also reduce our carbon footprint, contributing to a more sustainable future.
