

WINE LIST

Memoir Club member John Maynard Keynes was one of the most influential economists and philosophers of the twentieth century whose ideas fundamentally changed the theory and practice of macroeconomics and the economic policies of governments. and is known as the "father of macroeconomics".

In addition to bottles of fizz by the glass or bottle, we also have three decadent signature Champagne cocktails that pay homage Memoir Club members: the Keynes Twister, Adeline Royale and Woolfer.

“My only regret is that I have not drunk more Champagne in my life”.
