Setup & De-rig Window

All setup and de-rig times take place between **7:00am and 7:00pm**.

Setup Times:

- A minimum of **5 hours** is required for **Great Eastern, 1901, and Temple** (packages only).
- A minimum of **3 hours** is required for **Bishopsgate, Fenchurch, Minories, Studio, and Temple** (packages only).

De-rig Times:

- A minimum of **4 hours** is required for **Great Eastern, 1901, and Temple**.
- A minimum of **3 hours** is required for **Bishopsgate, Fenchurch, Minories, and Studio**.

Out-of-Hours Work:

If a package setup or de-rig is required outside our standard hours (7:00am–7:00pm), **crew charges will apply**.

Additional AV Requirements:

If **two or more lapel microphones** or **three handheld microphones** are needed, an **audio technician** will be required for that room.
