## WHITE WINE

### CRISP, BRISK & REFRESHING

If you like bone dry clean white wines, then look no further. Piercing acidity with real freshness and purity.

|      |                                                                               |        |

### AROMATIC & FRUIT FORWARD

Undeniably attractive on the nose, these fragrant whites are fruit focussed and more extrovert than their crisp dry cousins.

|      |                                                                             |        |

## WHITE WINE

### SMOOTH, TEXTURED & OPULENT

Whites with more weight and texture that are more comfortable when partnered with bolder dishes.

|      |                                                                                               |         |

## RED WINE

### SOFT, SILKY & SUPPLE

Lighter in style but still packed with character. These reds are silky smooth and a great option for chilling.

|      |                                                                               |         |

### GARRIGUE, EARTH & SAVOURY

Medium-bodied with an unmistakeable savoury or spicy character. Flavours of wild herbs, earthiness, and berries can be found here in abundance.

|      |                                                                       |        |

## RED WINE

### ROBUST, DARK & STRUCTURED

Big, structured reds that do exactly what you'd expect. Predominately dark, thick-skinned fruit dominate this section; these are perfect with grilled meat dishes.

|      |                                                                                                                                         |         |
