As members of Sunflower, a Hidden Disability scheme, we have signed a pledge to train 80% of our team members in hidden disabilities awareness.

We have been awarded the Disability Confident Employer certificate, which helps ensure all employees can fulfil their potential.

We are committed to becoming a Menopause—friendly employer in partnership with Henpicked.

We provide accessibility audits for our bars and brasseries and share the details on the Sociability app and our websites.

nurturing & growing talent

RECOGNISED

We are an ILM-accredited training provider focussing on leadership skills and EDI development.

We celebrate our people's contributions and loyalty with annual Long Service and People Awards.

Searcys apprenticeship plan offers 40+ development programmes for our colleagues.

We work with our nominated charities Hotel School, New Horizons Youth Centre (Euston), and Julian House (Bath) in helping those at risk of unemployment and homelessness find jobs in hospitality.

13 graduates from Hotel School are currently working in our business.

progressive partnerships

We champion British beef, pork, chicken and bacon across our event menus.

We use British grown and milled flour from growers signed up to Wild Farmed regenerative standards.

We champion cooking chocolate from the Islands Chocolate farm in St. Vincent and the Grenadines.

We promote mindful drinking by providing premium no- and low-alcohol options.

Our coffee comes from Notes Coffee Roasters which supports community farms and uses its Roas-Tree scheme to help fight deforestation.

We proactively engage with our fishmongers to ensure they work towards only supplying MCS (Marine Conservation Society) Good Fish Guide rated 1–3 fish and seafood.

We champion seasonal British fruit and vegetable produce, with hero ingredients traced to an individual farm.

In our recipes, we champion British-harvested rapeseed oil from R-Oil, farmed in ways improving soil quality.

We will only use British RSPCA-assured fresh milk by the end of 2025.

In 2025 we are launching Nourish by Searcys conference menu package designed to offer maximum nutritional benefit for minimum environmental impact. All recipes have a low-moderate CO₂ footprint, measured using our Nutritics system.

All fresh eggs used in our kitchens are British free-range and RSPCA-certified from St Ewe Farm.

Plant-based and vegetarian dishes are a key part of our menus, with the goal to make them 25% of all menus by the end of 2025.

We work with the best English Sparkling Wine producers, and have created our own label with a vineyard in Guildford.

Our teas are responsibly sourced and are either Rainforest Alliance certified, organic or directly traded.

step up

In 2025 we pledge to have a sustainability champion in every Searcys venue.

We are proud members of isla., a sustainability in events network focused on driving best practice in sustainability in events.

We measure and set ourselves annual targets to reduce carbon impact of our purchased goods and services (Scope 3).

Wherever possible we use porcelain crockery, glassware and metal cutlery.

We are proactive about food waste, seeking to do all we can to minimise it from menu design, to portion size, measurement and separation.

Local British Partners

Our commitment to sustainability is ingrained in everything we do. Ensuring that our suppliers share our values of ethical sourcing, traceability, and environmental responsibility is paramount to us.

We take pride in curating a network of exceptional partners who uphold these standards. By prioritising local and seasonal produce for all Searcys events, we not only support our communities but also reduce our carbon footprint, contributing to a more sustainable future.
