We’re more than just a company of cooks

We’re in every detail of your event, from artisanal snacks and incredible canapes to memorable dinners, and from hand-picked wines to stylish design.

Everything is overseen by our amazing team of chefs, wine experts, event sales teams, and operators to ensure your experience stands out. Getting to know you and your plans gives our team the power to craft moments and memories that last.

Our obsession with craft, creativity, and community drives everything we do, because we believe that amazing food, drink, and service sit at the heart of every guest experience. When these three elements come together, something very special happens.

Allergens

Do you have a food allergy or intolerance? We provide allergen information on the 14 major allergens.

Please speak with your event manager / sales executive, and details of allergens in any of our dishes can be provided for your consideration.

At your event there will be an Allergen Folder located at all buffet stations on your event catering floor to make delegates aware of all allergens contained in your chosen menu and help them make an informed decision.

Please note, as with every catering establishment, there is always a potential for cross-contamination to occur. While we endeavour to prevent this as much as possible, the nature of an allergen means we cannot fully guarantee that cross-contamination may not have occurred. We encourage our customers with food allergies and intolerances to let our staff know, so we can better cater for them. We are happy to provide further detail on ingredients and how they were handled to allow you make an informed decision as to whether or not the food is suitable for you.

If you have any concerns
please speak to a member of staff
