Welcome to Fulham Pier

Fulham Pier is London's newest waterside destination, aiming to deliver exceptional experiences to be savoured by every visitor.

With its waterside location a prominent feature, Fulham Pier is an escapist oasis, a haven of calm in an otherwise busy world.

Discover and rediscover countless new experiences across our seven floors. From an intimate live events venue in the basement to a market of independent food brands to a fully flexible, dedicated conferencing and events floor, the

opportunities to create bespoke and truly memorable experiences are endless.

Our dedicated events team brings the exciting and unexpected to each occasion, surprising and delighting your clients, guests and teams, offering them memories for years to come.

As the newest addition to London's vibrant event scene, Fulham Pier is designed to be the heart of community gatherings, corporate events, and personal celebrations.
