SAMPLE MENUS

Our seasonal Low & Slow menu is served directly to your table. Queues at buffet tables are a tired old tradition, so let our staff serve a complete menu to each table for your guests to help themselves without having to queue. Creates a rowdy table, breaks the ice.

We would recommend ordering two or three items from the Low & Slow menu along with two or three sides, we'll then provide dips & condiments to accompany. Then you select one or two desserts to follow & we provide teas & coffee to close.

Our packages are extremely flexible & our goal is your total satisfaction, please do get in touch for more options or for a bespoke menu, dietary requirements are easily & deliciously catered for.
